Sub: Clarification in respect of tender no. T-04/2024.

With reference to your email dated 27.06.2024 on the subject matter, a copy of this letter is enclosed herewith. Considering Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2018, the Commission exempts MSMEs, from payment of Tender Fee and Earnest Money Deposit subject to the condition that firms are required to submit relevant documents to establish their status. It is pertinent to mention here that Rs. 10,000/- mentioned in the tender document is processing fee not the tender fee, therefore, the same needs to be paid by all bidders and that can be paid by Demand Draft issued by any bank need not necessarily be nationalized bank.

This clarification shall apply to all such firm willing to participate.

Encl: As above.
