Sub: Regarding submission of information in respect of petition No. 08/2023.

Ref: 1) Suo-motu P.No. 08 of 2023/244 dated 10/02/2023
2) Suo-motu P.No. 08 of 2023/65 dated 13/01/2023.

Respected Sir,

In response to your communication vide letter under reference-2 it has been submitted that:

- 1) Subsequent to communication of tariff order for the FY 2022-23 vide letter# P.No. 12/2022/2022/1223 dated 24/08/2022, it was implemented in October 2022. Since the computation of tariff methodology was entirely changed in this tariff order in implementation we have faced many problems.
- 2) Since in implementation of last new tariff only three months elapsed, in absence of adequacy & sufficiency of data generated with new tariff methodology it will be inappropriate to derive inferences for new tariff.
- 3) In order to file a next petition we need appoint a consultant, for which it will take at least 3 to 4 months' time. Subsequent to this, in preparation & filing of tariff petition it will take another two months' time by the consultant.
- 4) TEED shall continue last approved tariff in the FY 2023-24 absorbing gap till next filing.

A fee of Rs 2.0 Lakhs is under transfer through RTGS in CSERC account. We regret to communicate that information in desired format could not be provided by 27/02/2023 and we are working on the same but it will take some more time.

In view of the above, it is requested to provide us at least one months' time for submission of data /information sought in respect of petition No. 08/2023 and not to initiate action against Section 142 of IE Act.

With Regards

Through: GM(TEED)
